

Research Staff at NCAER

NCAER, the National Council of Applied Economic Research, is India's oldest and one of its largest independent, economic research institutes. Our mission is high-quality applied research that has impact. NCAER undertakes research for the government and the private sector and its own, independent research. NCAER has unique data collection capabilities focusing on household surveys.

We offer a range of opportunities at all levels in the following JEL classifications:

- C1- Econometric and Statistical Methods and Methodology: General
- C3- Multiple or simultaneous Equation Models, Multiple Variables
- C5- Econometric Modeling
- C6- Mathematical Methods and Programming
- C8- Data Collection and Data Estimation Methodology, Computer Programs
- D- Microeconomics
- E- Macroeconomics and Monetary Economics
- E2- Macroeconomics: Consumption, Saving, Production, Employment and Investment
- E6- Macroeconomics Policy, Macroeconomic Aspects of Public Finance, and General Outlook
- F- International Economics
- H- Public Economics
- 11- Health
- 12- Education and Research Institutions
- 13- Welfare and Poverty
- J- Labor and Demographic Economics
- L- Industrial Organization
- 01- Economic Development
- 02- Development Planning and Policy
- 04- Economic Growth and Aggregate Productivity
- Q- Agricultural and Natural Resource Economics; Environmental and Ecological Economics
- R- Urban, Rural and Regional Economics

Senior Fellows generally have at least 5-10 years of post-PhD experience, an exceptional record in research, refereed publication, teaching, or project management, and provide institutional leadership and mentoring. **Fellows** also have PhDs with proven skills in applied economic research and strong potential to become thematic leaders. **Associate or Junior Fellows** must have completed or are close to completing PhDs with specialization in one or more areas mentioned above. All applicants must possess strong empirical skills, a demonstrated ability to apply cutting edge economic tools to practical policy problems, good writing and oral skills in English, and the ability to communicate persuasively with non-technical audiences.

Appointments are on renewable, 3-year contracts. Shorter-term arrangements as consultants may also be considered.

Applicants should send a detailed CV with a covering letter highlighting their areas of primary interest and past work, names of at least three references who can be contacted immediately, and copies or links to their best published or working papers. Applicants should clearly indicate the position they wish to apply for.

Please send applications by January 31st, 2012, by post or by email, to:
