

NCAER'S POLICY ON GENDER EQUALITY AND PREVENTION OF SEXUAL HARASSMENT

NCAER's Equality Statement

The National Council of Applied Economic Research (NCAER) is India's oldest, independent, non-profit, economic policy research think tank. We have pursued independent research and worked closely with governments and industry since our inception in 1956, providing empirical evidence, data, and analysis that is so compelling that it drives policy and programme change that transforms the lives of people who live in poverty and empowers them and all others to change their lives for the better.

At NCAER, we value academic integrity, scientific inquiry, public service and a workplace that is diverse, safe, inclusive, and rewarding for all staff. We are committed to a work environment where all persons are valued irrespective of rank or age, and are encouraged to achieve their fullest personal and professional growth. We make every effort to ensure equal professional treatment for our staff, whether at NCAER or outside. We do not tolerate any form of misconduct or discrimination on the basis of age, religion, caste, sex, gender, or sexual orientation.

NCAER has framed this policy ("Gender Policy") to promote a safe and secure work environment, where no person, female, male, or transgender, is subjected to sexual harassment, and to further its values of equality, dignity, and inclusion, as enshrined in its Equality Statement. The Gender Policy follows the *Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013* ("the Act"), and the *Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Rules, 2013* ("Rules").¹ Though the Act and Rules protect only women and is not gender-neutral, NCAER's Gender Policy lays out the policies and procedures to prevent, prohibit and deter sexual harassment of both women and men at NCAER. It outlines the procedure for redressing complaints of such harassment.

¹ NCAER's Gender Policy is for the protection of its employees from sexual harassment at the workplace, and is in addition, and not in derogation, to the existing laws of India relating to sexual harassment and other applicable laws.

7. All statements made orally in meetings convened by the Gender Committee by any person in relation to the inquiry will be made under oath and will be recorded in writing and signed by the person making the statement.
8. Every employee is required to respond to the queries of the Gender Committee honestly and present the facts in an objective and unbiased manner. Deliberately withholding information or providing incorrect facts will be deemed misconduct and will be dealt with accordingly.
9. Due care will be taken by the Gender Committee to ensure that the Aggrieved Person, the Complainant, the Respondent, any witnesses or other persons connected to the Incident or the inquiry, are not intimidated, victimized or discriminated against and are able to truthfully attest to the facts.

2. No action will be recommended against the Aggrieved Person, and/or the Complainant and/or any witness, due to a mere inability to substantiate the complaint or provide adequate proof. Action against the Aggrieved Person and/or the Complainant and/or any witness, will be recommended only after an inquiry by the Gender Committee/Employer reasonably proves that the complaint was made with malicious intent.
